Book of Mormon - Herald Publishing House

The Book of Mormon is a sacred text that was published in March 1830 by Joseph Smith, Jr. According to Smith, the book is originally written in an otherwise unknown language called "reformed Egyptian" on golden plates and it should be of similar importance as the Bible. Smith said he has received these plates

In addition to the 1908 Authorized Version, the Community of Christ continues to publish its Revised Authorized Version of the Book of Mormon, which was first printed in 1966. I do not yet own a copy, and I probably will buy one, but my impression from the little that I have read about it is that it may have more changes in wording than I would have preferred.
