Civil engineering technicians may work at several sites, using cars or trucks as a mobile office. Civil engineering technicians frequently work in teams with civil engineers, surveyors and surveying technicians, construction workers, and others involved with projects. Work Schedules. Civil engineering technicians usually work full time.

Civil Engineering Technicians : Occupational Outlook ...

2. I don't really think so. There's a huge difference between the two, so a soley-based architecture firm wouldn't hire a civil eng to design a building when they could hire an ARCHITECT to design the same building. Even architects have a hard time finding jobs, so I doubt a civil eng would have an easier time.
