The Illuminating Engineering Society (IES), formerly the Illuminating Engineering Society of North America (IESNA), is an industry-backed, not-for-profit, learned society that was founded in New York City on January 10, 1906. The IES's stated mission is "to improve the lighted environment by bringing together those with lighting knowledge and by translating that knowledge into actions that ...

Illuminating Engineering Society - Wikipedia

Excerpt from Ies Lighting Handbook: The Standard Lighting Guide In many ways the IES Lighting Handbook is particularly well adapted to reader convenience. For example, the type face is larger than that often encountered in engineering handbooks and, in combination with the mat finish paper, is more legible.
