Intex chlorine generators are made for all models of above ground pools, but are not available for concrete pools. The models each hook up in different ways, so you need to consult the manual. Make sure that water is flowing in the direction indicated on the chlorine generator. Add one 25-pound bag of salt for every 1,000 gallons of water.

Intex is a renowned manufacturer of above-ground inflatable and metal-frame pools. To keep these pools clean and sanitized, Intex sells its own line of pool supplies, and one of them is a saltwater chlorination system that works by extracting sanitizing chlorine from ordinary salt. While these systems can require less maintenance than other sanitizing systems, occasionally they may need attention.
