Oracle Project Billing User Guide. This guide shows you how to use Oracle Project Billing to define revenue and invoicing rules for your projects, generate revenue, create invoices, and integrate with other Oracle Applications to process revenue and invoices, process client invoicing, and measure the profitability of your contract projects.

Oracle Project Management User Guide

For more information about lifecycle functionality, see: Project Lifecycles, Oracle Project Fundamentals User Guide. Once you define a workplan, you can use Oracle Projects to create tasks and manage the workplan's task hierarchy. You can create an entire task hierarchy at once and then fine tune it by moving, copying, and deleting tasks.
